

MONTHLY MYSTERY BLOCK
CARSON VALLEY QUILT GUILD
MAY 2011

May's block is called "Domino" in my Electric Quilt Software. I played with some different settings and this could be a very interesting quilt, either sashed or not. It only has 4 fabrics, with purple being the darkest value.

It contains basic 9-patch and 4-patch units, so it's easy sewing. Please use the darkest purple value as shown, but you can use any coordinating pleasing fabrics for the compliments. Please use a light complimentary fabric in the "white" area as shown in the blocks. The other 2 fabrics need to have a change in value, one being a medium light value, and the other a medium value. I pulled greens and teals from my stash as compliments to purple.

The blocks and simple sets will be posted each month on the Carson Valley Quilt Guild website. If you need to see actual color placement you'll be able to access the files at <http://cvqg.com/>. I'm using Electric Quilt 7 for drawing blocks and simple sets. If you'd like, I can email a file to you. Please contact me each month for the file.
