

MONTHLY MYSTERY BLOCK
CARSON VALLEY QUILT GUILD
October 2011

I had a request for two things, black and white with turquoise, and pinwheels, so I set out to find something that would work for both requests. This turned out to be quite fun, and gives a lot of movement to a quilt.

Half-square triangles are all this block consists of. Use black and white fabrics, along with turquoise in the places indicated on the instructions. In my sample I found in my stash, a very light turquoise for the white placement. Please use a very pale light turquoise in the white placement or a white on white. No other colors should be used in that placement.

The turquoise should be a medium or medium-dark value and finally the black with white should read the darkest value.

The blocks and simple sets will be posted each month on the Carson Valley Quilt Guild website. If you need to see actual color placement you'll be able to access the files at <http://cvqg.com/>. If you have questions, please contact Vicki Finchum at 782-4545 or topztitched@gmail.com.
