2026 CVQG Block of the Month Mystery

Section #5: Georgian House 2

EQ location: Foundation Pieced/Houses

Construction:

This section consists of one block from the EQ Library. It is 16" x 16" **finished** so therefore several components of the foundation need to be connected together. The best way to do this is to use clear tape and adhere in **NON stitching** areas of the section. This will make it easier to remove the paper later.

- Stitch each foundation section using the picture as a guide.
- Assemble the block as shown.
- Square to 16.5" x 16.5"

This block is the center of row #2 of our quilt and may be joined to the right side of **Section #4 (trees)**
